

The Paralegal Society of Ontario is pleased to announce our 2011 Spring Conference & AGM

May 14, 2011 at the Delta Hotel Toronto East

## Get Involved.

Have a say in directing the future of the paralegal profession

The Paralegal Society of Ontario is holding its annual general meeting in Toronto on May 14<sup>th</sup>. This year the morning will be devoted to education sessions. We have applied to the LSUC and we are anticipating that these courses will count towards CPD hours that all paralegals are required to accumulate. We will announce the number of CPD hours to be credited once approval is received. These courses on their own would cost many times more than the cost of the entire day which includes the Annual General Meeting, elections and business sessions. A continental breakfast as well as lunch and two coffee breaks are included in the registration fee. Speakers at the conference will include:

**James Morton, LL.B., LL.M.** – [http://www.smhilaw.com/lawyer\\_morton.htm](http://www.smhilaw.com/lawyer_morton.htm)  
Learn about evidence law from the lawyer who wrote the book on it

**Lenny Hochberg, LL.B.** – <http://www.torontodefender.com/ourpeople.php>
